

AFC Cable Systems

armored cables, flexible and liquid-tight conduit, specialty cable, and temporary lighting; steel fittings for EMT, flex, and liquid-tight

CADDY by Erico

USA manufacturer of fasteners, hangers, hanger systems, rooftop supports, seismic bracing, pre-wired systems, and box supports for the electrical construction industry

Electri-flex

USA manufacturer of 40 varieties of electrical conduits, jacketed metallic, non-jacketed metallic, and non-metallic

Fluke | Amprobe

portable testing and measuring equipment including true RME multimeters, power quality analyzers, thermography, scope, vibration clamp meters, and electrical testers // Amprobe: portable test and measuring equipment, clamp meters, digital multimeters, testers, wire tracers, thermometers

Hubbell Brands

Acme Electric industrial control transformers, din-rail power supplies, motor drive/factory automation systems

Bell / TAYMAC / RACO weatherproof boxes, lamp holders, conduit bodies, while in use covers, EMT, rigid, & IMC fittings

Hubbell Control Solutions occupancy/vacancy sensors, commercial lighting control panels, exterior lighting controls

Killark industrial & hazardous location lighting, hazardous location fittings; iron & aluminum conduit bodies

Hubbell Lighting Alera, AAL, Beacon, Bell, Columbia, Compass, Dual-Lite, Hubbell Industrial, Hubbell Outdoor, Killark, Kim Lighting, Kurt Versen, LiteControl, Prescolite

Wiegmann electrical enclosures, NEMA, non-metallic, stainless & aluminum standard and custom enclosures

Killark industrial & hazardous location lighting, hazardous location fittings, iron & aluminum conduit bodies

IlSCO

American owned manufacturer of mechanical, compression connectors, grounding products, split bolts, insulation piercing connectors, underground connectors, SPDs, wire management, power distribution blocks

Legrand Brands

Cablofil wire management, cablofil wire mesh cable tray, PWI ladder tray, FAS-power pre-fabricated wiring device solutions

OnQ / NuVo residential structured wiring solutions; home networking products for audio, video, camera, phone, computer, intercom systems and home management

Pass & Seymour commercial, residential, industrial wiring devices; wire mesh grips; fan boxes; weatherproof boxes and covers; wall plates

Wiremold wire management solutions; surface component and pre-wired raceways, power poles, floor boxes, poke-thru devices, in-floor duct, modular wiring and work surface solutions

Lutron

architectural and energy saving lighting controls, commercial switching panels, dimming ballasts, wireless occupancy/ vacancy sensors, integrated lighting fixtures, and home lighting control solutions

Mersen

domestic & international fuses, selective coordination panels, medium voltage controllable fuses, PV safety systems, fuse shunt trip devices, surge protection devices

Online Power

inverters, transformers, battery back up

Patriot Aluminum Products

American owned and operated family business producing the full line of rigid aluminum conduit, nipples, elbows, couplings; rigid stainless steel conduit, nipples, elbows, couplings; galvanized nipples, elbows, EMT elbows

Rectorseal

wire pulling tools, wire pulling devices, firestopping caulks, pre-fabricated devices, low VOC, solvent cements, primers, and cleaners

Suntouch

electric radiant heated floor mats, cable, controls, and accessories

Universal Lighting Technologies

LED drivers, linear fluorescent ballasts, HID ballasts, lamps, energy management, and architectural lighting

SALES TEAM & MANUFACTURERS REPRESENTED

Dominique Albensi, Project Coordinator
